Welcome to University of Macau

The University of Macau (UM) is the only public comprehensive university in Macau, and has become one of the most internationalized universities in the world.

With English as the main medium of instruction, the University is committed to training and preparing our students as global citizens.

In recent years, UM has been taking initiatives for a comprehensive and structural reform and entered a new era of unprecedented growth. The University offers the research, cultural, social and recreational facilities you would expect from a top university and lots of greenery to facilitate learning, research and innovation.

You are welcome to visit our gorgeous campus where you can see our strengths and advantages, interact with us, and experience the uniqueness of the UM community!

Learning Environment

UM offers around 130 degree programmes covering a variety of fields, and the quality education is globally recognized in various university rankings.

The University organizes a vibrant mix of events, competitions, public lectures, seminars, visits or community services to enrich the students' life on campus. You also have opportunities to interact with our invited speakers and leading scholars.

Our Library is the largest library in Macau, with an area of about 30,000 square meters and a collection of over 12 million pieces/items. The Library provides group discussion rooms as well as silent zone for individual study.

There are nearly 30 sports, cultural, and art teams, as well as about 100 student-led groups under the Students' Union and the Postgraduate Association. You can make friends with students from different cultural backgrounds.

Sports Facilities

The University has various indoor and outdoor sports facilities and you will get free entry access to most of venues by presenting your UM campus card. Our indoor sports facilities include an Olympic-standard swimming pool, a fitness room, sauna, sports pavilion, sport climbing wall, squash courts, badminton hall, table tennis room, etc.

Our exchange students enjoy the same rights and privileges provided to the students taking full degree programme.

Campus Outlets

There are more than 27 outlets on campus, providing comprehensive services for your daily needs, including dining, retails and banking.

Dining

UM has a wide variety of dining choices for multi-culture students. There are food courts that provide East-Asia food like Thai, Singapore, Japanese and Korean food, Chinese-style BBQ pork, dishes and dim sum, Western-style fish & chips and pizza but also fine dining of Chinese or Western restaurant.

Accommodation

The University provides comfortable and harmonic on-campus accommodation.

Our Residential Colleges system offers a platform for knowledge integration where undergraduate students from different academic disciplines live together in the residential colleges. You can develop a global perspective, think independently and uphold self-confidence in cultural aspect, by communicating and collaborating with people of different disciplines or cultural background.

Postgraduate House is available for postgraduate students, with providing various activities and services to foster your learning, research and employability.
