

Unleash your potential!

Exchange studies

**Human
Potential
Unlimited.**

Welcome to Finland's most attractive university!

Tampere University is the second largest research university in Finland. Focus areas of research and education of our multi-disciplinary university are technology, health and society. More than 21,000 students study with us.

We offer a broad range of opportunities to join and pursue your exchange studies. We are known for our advanced pedagogical expertise. Our global digital campus, personalised instruction and high-quality physical learning environments provide you a seamless learning experience.

We have three vibrant campuses in Tampere, a city that provides an outstanding living environment for students.

Broad range of opportunities

Application deadlines:

- 30 April** ▶ for autumn semester and full academic year
- 15 October** ▶ for spring semester only

More information: tuni.fi/exchange

At Tampere University you can create a unique study experience to meet your interests. As an exchange student, you have a wide variety of courses from different degree programmes and faculties to choose from (please note that some restrictions may apply).

With us you can also take a peek into Finnishness on our courses in the Finnish language, available from beginner to advanced level.

Study in Tampere and you can experience the best our city has to offer, such as quality education and spectacular nature!

Together we are greater

Student mobility

Tampere University has more than 500 partner universities across the world. We are proud to receive almost 1,000 exchange students annually.

Academic calendar

During the autumn semester, teaching is organised from late August until late December.

The spring semester starts in early January and teaching continues until late May.

Welcome Week

We organise a Welcome Week in August and early January. Besides learning about study practices and Finnish way of life, the Welcome Week is a great opportunity for you to make new friends! The Welcome Week programme is free of charge.

Check out for more on how to apply, housing options, Finland and Tampere ... you name it!

Gotta love Finland and Tampere

Picture: Laura Vanzo /Visit Tampere Ltd.

Finland – the happiest country in the world

- Safe country with a population of 5.5 million (18.1 inhabitants per km²/ 46.6 per square mile)
- Western Europe's fifth-largest country (area: 338,440 km² / 131,991 square miles)
- Everyone has freedom to roam in the amazing natural environment: 188,000 lakes and 37 national parks
- The place to see Aurora Borealis, also known as the Northern Lights
- The land of highest coffee consumption per capita and crazy sports like swamp soccer and ice swimming
- ... but no, we don't have polar bears

Cost of living

- Comparable to the rest of Northern Europe
- In addition to the rent, approximately € 350–600 per month covers food, transportation, personal and leisure expenses.
- Meals at student restaurants are varied and inexpensive.

Tampere

- 249,000 inhabitants, the third largest city in Finland and the largest inland city in the Nordic countries
- A true student city: every sixth resident is a student
- Vibrant atmosphere: 8,000 events and festivals each year
- Home of the world's only Moomin Museum
- The Sauna Capital of the World with over 30 public saunas!
- Frequently voted the best Finnish city in terms of quality of life
